MYSORE CITY MUNICIPALITY.

EXPLANATORY MEMO ON THE BUDGET ESTIMATES OF THE MYSORE CITY MUNICIPALITY FOR THE YEAR 1907-08.

Receipts.

I. Octroi.—The estimate under the several sub-heads are based on the actual realizations of the past six months of the current year and the realizations of the last six months of the previous year.

II. Taxes on houses.—The sanctioned budget estimate figure is retained for this year's estimate.

III. License receipts.—The estimated demand is based on the actual realization of the past six months of the current year and the realization of the last six months of the previous year.

IV. Carriage tax.—V. Taxes on animals.—As a Municipal Tax Collector has lately been appointed to the City, the estimated demand is entered with the hope that he would find out carriages or animals hitherto left out for want of proper check and bring them all for taxation.

VI. Tolls and ferries.—As the right to collect tolls at the several toll-gates is sold by auction, it is not possible to say what amount would be realized under this head. For budget purposes the actual receipt of 1905-06 has been taken.

VII. Other Mohatarfa taxes.—The estimate is based on the average realization of the past two years.

VIII. Rent.—The estimate is based on the realization of the last six months of the current year and the realization of the last six months of the previous year.

IX. Fines.—The estimate is based on the average realization of the past three years.

X. Miscellaneous.—A demand of Rs. 2,000 under the head (4) scavenging fees is entered as the system of daily conservancy has been ordered to be introduced tentatively in Chamaraj and Nazarbad Mohallas. The demand under other heads except contribution which was reduced from Rs. 20,302 (specially raised during last year with a view to deal with the special repairs of roads in the City on account of the visit of Their Royal Highnesses) to Rs. 7,770, has been based on the collection of last six months of the current year and the second six months of the previous year.

XI. Payments for Municipal services rendered to individuals.—No provision has been made under this head as the supervision of laying house service connections has been transferred to the Public Works Department as per orders of Government.
